VIII. SALARIES AND BENEFITS

The 185th General Assembly (1973) of the United Presbyterian Church in the U.S.A. adopted a recommendation which provided that all salaries and fringe benefits of all staff of all councils – presbyteries, synods, and General Assembly – be assembled and published annually by the General Assembly in its Minutes. Base salary and housing should be reported separated from fringe benefits.

The following governing bodies did not comply with the 185th General Assembly (1973) of the United Presbyterian Church in the U.S.A. requirement, which states that all governing bodies must report salary and fringe benefits for all exempt staff. For more information on this action, see *Minutes*, UPCUSA, Part I, 1973, pp. 175, 438.
