

## **Joe Ferguson, Director**

Building Services staff maintains the Presbyterian Center to ensure a safe and comfortable work environment for staff, visitors, and tenants.

### ***Key tasks for the department:***

1. Maintain building interior and exterior; maintenance of the Center furnishings, including repairs and renovations.
2. Work with the A Corp President to enhance building hospitality to create a more inviting workplace for client partners and visitors.
3. Manage security services, safety education, and janitorial services.
4. Network with A Corp President, Communications, and Global Resources to enhance building signage.
5. Keep our client partners informed of the services we provide and keep them up to date regarding works in progress, activities around the Center, street closings, severe weather, safety testing, and much more.
