

Reformed theology teaches that because a sovereign God is at work in all the world, the church and Christian citizens should be concerned about public policy.

The Presbyterian **Office of Public Witness (OPW)** is the public policy information and advocacy office of the General Assembly of the Presbyterian Church (U.S.A.), maintaining a presence in Washington, D.C. and the United Nations. Its task is to advocate, and help the church to advocate the social witness perspectives and policies voted on and approved by the PC(USA) General Assembly. The Office of Public Witness is a Compassion, Peace, and Justice Ministry of the Presbyterian Mission Agency.

6 Is not this the fast that I choose: to loose the bonds of injustice, to undo the thongs of the yoke, to let the oppressed go free, and to break every yoke?

7 Is it not to share your bread with the hungry, and bring the homeless poor into your house; when you see the naked, to cover them, and not to hide yourself from your own kin?

— Isaiah 58:6-7
