

# Monthly Refrigerator Cleaning Schedule for 2025

Housekeeping staff will clean the refrigerators the first Friday of each month, starting in January. ALL food, condiments, and drinks will be disposed of during the cleaning process. Be sure to remove all food and containers by 5:00 p.m. on the scheduled dates. Containers with lids will be left on top of the counters (except for the ISCO tenant group on the second floor/west side; at their request, all containers will be disposed of). Please remove all medications from refrigerators as well. Contact [Tina Rhudy](#) with any questions.
