- ★ Have **a few minutes** for a physically engaging activity with your children?
- ★ Interested in a way to start **sharing faith moments** across the generations?

RESOURCES
FOR PARENTS

Grab a typical beach ball with the different colored blocks and try out these questions!

Toss the ball and the person catching it answers the question corresponding to the color that their right pinky finger lands on.

Red = How would you describe a perfect day? What makes it perfect?

Yellow = What are you proudest of? Why?

Blue = What are two things you are thankful for today?

White = What was an act of kindness you observed or you did today?

Green = What was something beautiful you have seen recently?

 **Around the Table Logo** (or circles at the end of the ball if not using a ball with Around the Table logo) = How would you describe your family?

PLAY AGAIN

This time answer the questions responding to the color that their left thumb lands on.

Red = Who is someone or something you would like to remember in prayer?

Yellow = Who is a helpful person you know? Describe them.

Blue = What have you noticed in God's creation today?

White = What is one way you could make someone's day better tomorrow?

Green = What is a memory that makes you smile?

 **Around the Table Logo** (or circles at the end of the ball if not using a ball with Around the Table logo) = What is the hardest thing you had to do today?

PLAY AGAIN

Make up your own questions or even write questions directly on the ball.
