PILLARS

**Steady Giving. Shared Mission.**
Recurring gifts help fulfill the mission and ministry of the Presbyterian Church (U.S.A.) in the simplest, most impactful way.

# Recurring Gifts Transform Lives and Make Mission and Ministry Possible

*Monthly giving allows the PILLARS community of our most consistent recurring donors to enable Presbyterian mission and ministry to flourish in the name of Jesus Christ.*

Here are some examples of how these funds support the ministries of Presbyterian Life & Witness and ensure people all around the world have what they need to thrive:

**The PC(USA)** Impact Fund allows for the Church's timely response when and where it's needed most. In 2025, more than $3.4 million was given to Shared Mission, which is supported through this fund.

**Global Expressions of Church** provides support to the office of Global Ecumenical Partnerships (GEP) and the meaningful and sustainable collaborations formed across denominations, faiths and cultures by the international and national Global Ecumenical Liaisons (GELs).

**Racial Equity & Women's Leadership Development** helps to implement the PC(USA)'s leadership development goals by seeking, developing and energizing diverse leaders, who are answering God's call to equip the Church to be a welcoming place of worship, mission and spiritual nurture for all God's children, especially those who have been marginalized.

**Churchwide Special Offerings** supports One Great Hour of Sharing, the World Communion Offering and the Christmas Joy Offering, which are the largest way Presbyterians join together to make a lasting impact in the world through ministries of compassion, reconciliation and service to all God's children.

**Youth & Young Adults** supports initiatives such as Presbyterian Youth Triennium, which in 2025 welcomed exactly 2,025 attendees and the Young Adult Volunteeters (YAV) program.

**Disaster Relief** helped provide 211 grants to 36 countries and 28 states totaling more than $6.3 million to support disaster survivors in 2025, mostly through the work of Presbyterian Disaster Assistance.

**Hunger & Poverty Alleviation** helped provide 94 grants totaling approximately $1.2 million to alleviate and address the root causes of hunger in 27 countries. It also helped to award nearly $710,000 in mid council, national and international grants for the alleviation of poverty. This work is primarily accomplished through the Presbyterian Hunger Program and the Presbyterian Committee on the Self Developement of People.

Every recurring gift strengthens ministries that share Christ's love, respond to urgent needs and build hope in communities around the world.
