ONE GREAT HOUR OF SHARING

What You Need:

- Crayons
- Markers

What You Do:

1. Reproduce the wrapper for church members to color and paste to their cans. Use any standard size can. (An empty soup can works well.)
2. Wrap the label around the can and glue or tape to secure.
3. Invite members to display the can in a highly visible location in their homes for family to make contributions.
4. Have them turn in the collection can on the day One Great Hour of Sharing is received.
