

# When were you hungry?

# When were you thirsty?

—Matthew 25

In response to extreme hunger and famine, the **Presbyterian Hunger Program** wants to make a difference. In partnership with frontline communities and others working to end hunger, we are asking for your help.

PHP is supporting communities in areas where violent conflicts and climate change have led to extreme hunger and famine. We want to support our partners as they address the underlying causes of hunger, and also meet urgent needs in difficult times like now. Your gifts to OG300000 marked for “Extreme Hunger & Famine” will help make this happen. Learn more or help at [www.pcusa.org/phpfamine](http://www.pcusa.org/phpfamine).
