

Make your own CWG pin!

With a few materials purchased at a local craft supplier (plus cardboard salvaged from a graham-cracker box) and a printout of the PW Churchwide Gathering logo (and mascot Minnie the Moose), you, too, can make delightful pins to wear! It's easy!

1. Choose the image you like (www.presbyterianwomen.org/gathering) and glue it to a piece of cardboard (same size).
2. Seal the image to the cardboard with a sealant like ModPodge or school glue. Allow to dry.
3. Once dry to the touch, embellish to your heart's content (you may also want to add glitter to the sealant while wet).
4. Add pin backing.
5. Make more!
