

End Gun Violence

As members of the PC(USA) and people of conscience, we believe God desires health and wholeness of all God's children — not cycles of despair, poverty and violence.

We believe we have the responsibility to reduce injustice in our midst. We therefore call upon the U.S. Senate and House of Representatives to approve legislation that will:

1. Ban all assault weapons and high-capacity magazines. These are weapons of war and have no place in the hands of common citizens.
2. Require universal background checks for the purchase of any firearm.
3. Make gun trafficking a federal crime.
4. End straw purchases of guns.
