## Mark Hare and Jenny Bent

*Serving Christ together in Haiti and the Dominican Republic*

From their base in the Dominican Republic, Mark and Jenny are committed to serving Haitian people. Mark, an agricultural technician, commutes across the Haitian border to work with Mouvman Peyizan Papay (MPP), helping Haitians learn to grow lots of food on a small amount of land. Jenny, a community health consultant, works with the Evangelical Dominican Church in the bateys, company towns largely populated by Haitian sugar workers. In his work, Mark says he strives to follow Christ's example of being intimately involved in the lives of people. In addition to her health ministries, Jenny's goal is to help build bridges between Haitians and Dominicans.
