# Tyler and Rochelle Holm

*Serving Christ together in Malawi*

Rochelle Holm manages the University of Mzuzu's WatSan Centres, which are committed to increasing the availability of clean water and sanitation in northern Malawi and beyond. The centers are supported by the Church of Central Africa Presbyterian's Livingstonia Synod, which is a primary provider of clean water in northern Malawi. Tyler teaches theology to future pastors at the University of Livingstonia, one of the synod's institutions. Tyler and Rochelle emphasize that Rochelle's expertise in water and sanitation and Tyler's skills in teaching theology are built on an unwavering passion to follow Christ's call.
