# Lynn and Sharon Kandel

*Serving Christ in South Sudan*

Lynn and Sharon are working alongside the Presbyterian Church in South Sudan (PCOSS) doing logistical work to build and rebuild school buildings, help organize a teacher training project, and assist with reporting on a peace and reconciliation project for our South Sudanese partners. They also support other mission co-workers in South Sudan with logistical needs. "We are praying that the education aspect of our work will help improve the rate of women and young girls entering school. With education, there comes the possibility of better jobs, better health and a more positive future," they say. Lynn and Sharon are called to South Sudan and know that God holds them and the people they work alongside in His love and protection.
