ORDER OF DISMISSAL

The three remedial cases above styled are cases of original jurisdiction before the General Assembly Permanent Judicial Commission. The cases are consolidated for purpose of this Order.

Prior to hearing of these cases, the Commission was informed that a settlement had been reached between the parties in the first two cases above docketed, being the cases against the seminary and board of trustees of the seminary. Each of the parties have supplied the Commission with a copy of the settlement contract. By reason of settlement, no further action on the part of the Commission is indicated.

The settlement of the cases against the seminary and the trustees renders the case against the Office of the Stated Clerk of the General Assembly moot.

It is therefore ordered that the three cases above styled be dismissed with prejudice.

Done and dated this 5th day of May, 1988.
