

PRESBYTERY OF THE JOHN KNOX
Complainant

v.

SYNOD OF LAKES AND PRAIRIES
Respondent

GAPJC Remedial Case 213-05

Order of Dismissal

On approximately December 31, 1999, a Complaint was received by the Stated Clerk of the General Assembly concerning actions taken by the Synod of Lakes and Prairies in its Fall meeting affecting campus ministry properties within the bounds of the Presbytery, commonly called "Pres House." The Synod filed a timely Answer.

The Executive Committee of the Commission conducted a pre-trial conference (D-6.0309) [now found at D-6.0310] on July 8, 2000. During the conference, a recess was used by the parties to reach agreement on the issues in the Complaint. Upon resumption of the conference, the committee of counsel for Complainant moved to withdraw the Complaint, with the concurrence of Respondent. By reason of settlement, no further action on the part of the Commission is indicated.

It is therefore ordered that the case be dismissed.

Dated this 4th day of February, 2001.
