ORDER VACATING STAY OF ENFORCEMENT
Remedial Case 216-15

In the matter of the Session of Second Presbyterian Church, Tulsa, Oklahoma, Complainant, v. Presbytery of Eastern Oklahoma Presbytery, Respondent, four members of the General Assembly Permanent Judicial Commission signed forms granting a request for a stay of enforcement. We note that the stay of enforcement granted by the Synod of the Sun Permanent Judicial Commission was terminated after it conducted a hearing following an objection to that stay of enforcement. In accordance with D-6.0103d, there can be no further action until the merits of the case can be decided by the Synod Permanent Judicial Commission. Therefore, the General Assembly Permanent Judicial Commission does not have jurisdiction and a stay from this body is not appropriate.

Therefore, IT IS ORDERED that the stay of enforcement is hereby vacated, effective May 15, 2004.

The following members of the Commission were not present and took no part in this matter: June Lorenzo and Mildred Morales.

Dated the 15th day of May, 2004.
