## Alan and Ellen Smith

*Serving Christ together in Central Europe, Belarus and Russia*

Ellen helps twin congregations in the United States with congregations in Russia and Belarus. The goal is to develop long-term relationships across the boundaries of history, language, culture and denomination. Once a strong relationship is established, congregations often engage in joint projects that include summer camp ministry, orphanage ministry, drug rehabilitation, and outreach to families with handicapped children. Ellen also works with the Russian and Belarusian partners who come together to develop joint social ministries for their churches. Alan focuses on evangelistic outreach to minority peoples in central and Eastern Europe, and he continues to work to facilitate outreach to Roma in Russia.
